

K-LOVE radio station/ 91.9 FM serves me and our community by offering wholesome music and stories of love and faith as well as offering avenues of support to those who call their phone line. Our community would be negatively impacted if KLOVE was displaced by an LPFM broadcaster. KLOVE serves the public interest by giving free public announcements about various free local events and by offering music that can be enjoyed equally by adults and children. Please keep K-LOVE on the air. Thank you for reading this.
